

GRIFAL IS AMONG THE 52 GEMS OF THE "Next Gems 2023" CONFERENCE

The event is organized by Virgilio Investor Relations on October 17th and 18th at Borsa Italiana

Cologno al Serio (BG), October, 13, 2023

Grifal S.p.a. ("the Company" or "Grifal"), at the helm of an Italian group active in the industrial packaging market since 1969 and listed on the Euronext Growth Milan market of Borsa Italiana S.p.a., will present the financial results, the Group's consolidated Sustainability Balance Sheet for 2022, and future growth strategies to the financial community as part of the fourth edition of the **Next Gems 2023** event on October 17th.

Among the key participants in the meetings organized by **Virgilio Investor Relations** to connect companies and potential investors, the following Grifal representatives will be present: **Fabio Gritti** - President and CEO, **Andrea Cornelli** - Vice President and Chief Strategist & Innovation Officer, **Paolo Frattini** - Chief Financial Officer.

The goal of Next Gems is to bridge the gap between the real economy, represented by the companies, and finance, by facilitating the meeting between the "entrepreneurial gems" listed on Piazza Affari and the investors who can support their growth.

Grifal's patented cArtù® technology, increasingly recognized by the market as the best alternative to common materials used for packaging, is just one of Grifal's products that are relevant to various sectors and are experiencing continuous growth, supported by the rise of e-commerce. Not only that: their production involves sustainable technologies that reduce raw material consumption by 70% and CO2 emissions by up to 80%.

The event, sponsored by Banca Profilo, BPER Banca, EnVent Capital Markets, and Intermonte|WEBSIM by Intermonte, is organized in collaboration with TWIN - The World Is Now and with the support of Borsa Italiana. The main partner is Alpha Blue Ocean, and the legal partner is Greenberg Traurig, LLP.

This press release is available in the "Financial Press Releases" section of the Investor Relations area of the website www.grifal.it.
